Dear Mr. Grenell:

"I am extremely pleased with the support provided by CSDA and its staff. I really appreciate CSDA's weekly e-news and special legislative updates. These vehicles along with the website's Grassroots Action Center not only make me aware of important legislative initiatives, but also allow me to get up to speed on these issues within a very short period of time. Great job, CSDA!"
 – Paul Bushee, Leucadia Wastewater District

These words were sent to us by a member district that gained a new appreciation for CSDA services and expertise this past year. While the economic climate is continuing to bring many challenges to local government, it's good to know you've got a friend in Sacramento. CSDA is committed to supporting our special district members through these tough times and into a brighter future. During the past year, CSDA has consistently worked on your behalf - protecting special district revenues and independence and preventing the State from burdening you with additional costly mandates. We are proud to be *your* association.

As a CSDA member, you can count on us to be your advocate and keep you informed of issues that impact your district's budget and operations. You can turn to us for unique and high quality education programs for your board members and staff. In addition, your membership gives you access to a wide array of money-saving programs such as risk management services, tax-exempt financing and so much more.

Enclosed is an invoice for your 2014 membership dues. It is only with the support of our strong, vibrant membership that we are able to offer you these services and benefits. Your district's continued participation in CSDA is essential in keeping the interests of special districts and local government at the forefront.

Special Renewal Bonus: Renew your CSDA membership by January 1, 2014 and your district receives access to online AB 1234 Ethics Compliance Training through February 28, 2014. This access gives you and everyone else at your district required Ethics Training for FREE – just for renewing!

If you have any questions about CSDA or your member benefits, please contact us at 877.924.2732. We'd like to hear from you.

Best regards,

Neil McCormick
 Executive Director

Please note: Access to Property/Liability and Workers' Compensation programs through SDRMA are a CSDA member benefit. Participants in those programs must maintain current membership in CSDA.
